

PRESS RELEASE | 2024-04-16

Mikael Åslund new President and CEO of JM

JM's board has appointed Mikael Åslund as the new President and CEO from June 1, 2024. He will succeed Johan Skoglund, who will retire at the same time.

Mikael Åslund comes most recently from the role of Business Unit Manager JM Property Development and has been employed at JM since 2000. He has a Master of Science degree from Luleå University of Technology and has completed the Master of Science program at the Stockholm School of Business. Mikael resides in the Stockholm region.

– The board of JM and I are very pleased that Mikael Åslund has accepted to lead JM forward. Mikael Åslund has many years of both operational and strategic experience within JM and has a solid knowledge of JM's core business and market conditions, says JM's Chairman of the Board Fredrik Persson.

– I am grateful for the board's confidence and look forward with humble enthusiasm to the opportunity and responsibility to lead JM. After many years of experience working in the company in various positions, I have a good understanding of the company's conditions. I am very much looking forward to continuing to develop the company and create long-term value for JM's shareholders together with all my colleagues, says Mikael Åslund.

This information is information that JM AB is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out above, at 08:00 CEST on 2024-04-16.

JM is one of the leading developers of housing and residential areas in the Nordic region. Operations focus on new production of homes in attractive locations, with emphasis on expanding metropolitan areas and university towns in Sweden, Norway and Finland. We are also involved in project development of commercial premises and contract work, primarily in the Greater Stockholm area. JM should promote long-term sustainability work in all of its operations. Annual sales total approximately SEK 14 billion and the company has about 2,200 employees. JM is a public limited company listed on NASDAQ Stockholm, in the Large Cap segment. For more information
